

Welcome to Milburn Fields Subdivision

Dear new resident(s),

Hello! On behalf of the Milburn Fields Homeowners Association (HOA) Board of Directors, we welcome you to our neighborhood where we hope you instantly feel at home! We have neighbors who have lived here for 60+ years, folks who have just moved in, and everything in between.

The HOA was established in 1995 and is comprised of 266 homes. The HOA is governed by a board of volunteers who are elected by our members during the annual HOA meeting in the spring. The Board serves the members by maintaining and enforcing the by-laws in a manner consistent to uphold the value of the neighborhood, bring financial value to the members through reputable service contracts, and foster & grow a sense of community.

Our by-laws are available on the HOA website, in addition to information about our contracted trash and recycling services, community news, and other updates. We also have a monthly e-newsletter that we'd love to send you. Just shoot us an email and we'll add you to our mailing list.

Provided below are resources to get in touch with us, your neighbors, and platforms to stay current on neighborhood events like our annual garage sale, picnic, and movie night. If you have any questions, please don't hesitate to reach out!
